MEMORANDUM FOR THE RECORD

SUBJECT: Purchase of Towels and Handcloths

25X1 The Project has been required to purchase for use by [REDACTED]
certain items (6 towels and 6 handcloths) which are generally considered
25X1 to be an individual's personal responsibility to have in his possession.
However, because of the tight schedule imposed upon these persons in deploy-
25X1 ing from [REDACTED] where such items are furnished, to Isolation where they
are not, it has been deemed advisable that the Project stand the expense.
Upon the [REDACTED] return from Isolation, these articles will be returned
to Project Headquarters for use by other groups deploying under like cir-
cumstances.
